On behalf of all the teachers and staff of the Chester Valley Dance Academy, LLC, I would like to welcome you and your child to our facility. Exposing your child to the art of dance at a young age will help your child develop motor skills, coordination, confidence, and imagination. Our goal is to assure that our young students enjoy their first dance experience in a fun and structured atmosphere.

The Chester Valley Dance Academy is a family run business which was established in 1988 to provide quality dance education in a sensitive and friendly atmosphere. We are dedicated to promoting the art of dance, the positive benefits of physical fitness, nurturing talent, self-esteem, academic responsibilities, and proper social values.

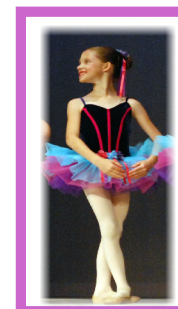

The Chester Valley Dance Academy is located at 130 S. Village Avenue, Lionville. This 6800 sq. ft. building includes 4 spacious dance studios, changing rooms, a homework area, parent waiting room and much more. As always, you will be able to view the progress of your child through a one way mirror and on closed circuit televisions in the waiting room. My teachers and I will continue to provide special care to our families by giving them the finest instruction available. We are always willing to discuss your child's progress.

Thank you for choosing our academy. We look forward to meeting your children and exposing them to the art of dance. For a schedule of classes and registration form please look on our website under schedule or call 610-594-2771.
