Performing Arts Summer Program

LOVE BROADWAY MUSICALS?

You'll love *The Chester Valley Dance Academy's Summer Performing Arts Program*. Each student not only learns techniques essential for the Theatrical Arts, but has fun putting together **Scenes and Songs from the most popular Plays, Musicals and Revues**.

Every student, regardless of ability and experience, will perform a Monologue or Lead Role from a scene at the end of the 6-week program.

If you have seen a full length Broadway show, you know that each show has a limited number of lead roles. Our program gives **every student the priceless opportunity** to act or sing in a major role, giving them the experience needed for future auditions and school plays.

Development of Skills

Throughout the 6 weeks, students will build their **skills in acting, singing and character dance**. **Divided into groups by age**, students study character developments, improvisation, audition skills, stage dance, ensemble and solo singing. They also develop the confidence and stage presence that is fundamental for anyone wanting to participate in amateur and professional productions.

There is no audition required to join the performance at the end of the 6-week session. Each week students will build on material from the previous week, concluding with the Performance for family and friends at the end of the session.

Father Sabatini has also directed at Bishop Shanahan High School and Chestnut Hill College. He taught Latin at Bishop McDevitt High School and is now residing at Holy Savior Parish in Norristown. His return to the Chester Valley Dance Academy's Performing Arts Summer Program marks his 18th year.

Denise Wisneski is widely recognized for her musical work with Community Theatre Groups such as Barley Sheaf, Forge Theatre, Limelight, and Playcrafters.
